Welcome to My Homepage

Me and My Family

My name is Steven I have a good family, I love my family. I'm 12 years old. I have short hair. My sister is nice and funny. She is 20 years old. I live in Hong Kong. My father is a doctor. My mother works in a school. My sister and I always go hiking on Sunday. We ride our bikes on the road. Sometimes we go to the book shop. I love my family.

My School and My Hobby

The name of my new school is Nam Wah catholic secondary School. My class teachers are Miss Chung and Miss So. We have many different subjects. I like P.E. and Chinese. In the recess, I go to the tuck shop and go to the playground to play basketball. There are so many people at tuck shop during recess. The school hall is very big and very nice. I love my new school.
