

A Personal Letter

26th October 2011

Dear Amanda

How is it going? Thanks for your letter. Sorry it is taken so long to write. I am busy with doing homework.

What have you been up to? It is so cold in Toronto now. It has been snowing off and on for a week here. Anyway how is the weather like in Hong Kong? Is it raining? It is so hot in Hong Kong. Hong Kong is in summer. I always go to swim with my best friends from 3A.

Speaking of Kelly Ko, I am happy to hear that she won a second place in the Inter-school Science Competition. Give Kelly Ko my congratulations! She is really great! Now speaking English all the time is happy and funny. Because I don't quite understand what the others are talking about. Do you know any ways to improve my English? My new friends are nice. But I think the life here is a bit boring. To be honest, I miss the good old days in Hong Kong with you all. Do you still remember we go to play football last year? It is very happy.

Are you going to meet me in the airport? I am dying to see you as soon as possible. By the way, I must stop now. Tons of homework is waiting for me. Send my love to Tommy. Looking forward to hearing from you.

Regards,
Emily
