

My Pet by Ankh Yu Ruihong (S.1AB Group)

My pet is a cat. Its name is Fang. It likes eating fishes and mice. It is black in colour. It is big. It doesn't like to be frightened. It hates when people disturb its sleep. It sleeps a lot during daytime. It plays a lot at night. It enjoys taking a walk after dinner.

It has two small eyes, two short ears, six long whiskers on the round face. It moves gracefully and it is very lively.

I love it because it is very cute and easy to look after. Sometimes, it plays with me. We are friends now and I hope that we can be good friends forever.

This is my favourite pet.
