

**Our Charity Event** by Cham Ka Yi (S.3B)

We held a charity event. The name of the charity event is charity sale. The charity sale was held at our School Hall on 21<sup>st</sup> April (Sunday). The sale began from 4:00pm and ended at 7:00pm.

The sale was held by our schoolmates and teachers. We worked very hard for the sale. We donated a lot of our own things, such as second-hand bags, new pens and lovely toys. We sold many things and many people bought our things. Through the charity sale, we collected much money. The total is \$ 20,000. What a handsome reward!

We are going to donate the money to the poor people and the disabled in China. We are very happy because we can help many people.

In this charity sale, I learn many things. I find that it is a happy thing to help other people. It is a very meaningful activity! I feel the joy when I can help people who are poor and disabled. I know that many people need our help and we can help many people. Do you want to help other people who are poor and disabled? Let's join hand and work for a brighter world.
