Charity Sale

I recently took part in the Charity Sale. The aim was to encourage the community to raise funds for the disadvantaged and provide emergency food supplies to people in need.

The Charity Sale was held at Sham Shui Po Park from 12 to 5p.m. About one thousand people took part. We sold cupcakes, teddy bears, chocolates and stationery. We also had a lucky draw. Some people played games too.

I think the Charity Sale was fun, successful and interesting because a lot of people took part and they bought a lot of things. We raised \$8,888. All the proceeds went to Friends of the Earth, Children's home and Homeless Shelter to help the homeless people, the poor, the disadvantaged and the blind.

Taking part in the Charity Sale, I learned that helping people can be very happy. I'm planning to take part in Charity Concert, Dress Casual Day and Charity Sale again. I hope all people can take part in charity events again.
