

# Chinese New Year

My favourite festival is Chinese New Year.

It is in January. It is a Chinese festival.

There are many special Chinese New Year activities to do. We get red packets, visit family members, buy peach blossom, listen to new year songs, put up fai chun, go to flower markets, watch a lion dance performance and carry lanterns.

We eat special Chinese New Year food, such as rice cakes and tong yuen.

I like Chinese New Year because I get a lot of money, do a lot of activities and eat a lot of yummy food.

Happy New Year!
