

The Missing Money

The incident happened one day, at 7 am., in a convenience store. 'What happened to all the money?' Sam asked in surprise. He called a detective to study the crime scene.

The detective was called William. William could handle the case confidently.

At 7:15 am, he was studying the crime scene. He saw a boy outside the convenience store. William began to question the boy. He asked the boy. 'Hey, boy! Where did you buy the ice cream cone?'

The boy stammered, 'I..I..bought it at the convenience store just now. The convenience store is over there. Can you see it?'

William asked. 'Oh! Did you see a man stealing the money?'

The boy was busily eating the ice cream cone, but he pointed accusingly at Keith. 'I don't know, but I saw him in there just now.'

'Thank you! You are very clever,' said William.

William then began to question Keith, who was sweating and looking nervous. 'Why me?' he shouted.

William reached into Keith's trousers pocket and found over \$5,000. 'Where did you get all this money?' asked William.

'Yes, I stole it,' said Keith.

William called the police. Keith was under arrest.

William whispered, 'Case closed!'
