

Short Writing

Match of the day

Dear Mr Cheung,

I am writing to complain about the unsporting behaviour of your star player Tony Choi.

I watched the match on TV on Sunday, I saw Tony hit and hurt one of the opposing players. He fell down and pretended that he was hurt. He thought that the referee would send him off the pitch. He attacked another player, but the opposing team did not know how to do.

The referee knew the truth and saw everything. He held up a red card to show that Tony was disqualified. He was so unsporting that the spectators were very angry because he disrespected the judgment of the referee by losing his temper. I think he disrupted the whole match. The referee made the right decision to send him off the pitch.

I agree that unsporting behaviour sets a very poor example to young people. I think you should look into the matter as soon as possible.

Yours sincerely

Mavis Leung
