

Percy the Pig

Percy was a kind little girl. One Monday morning, the weather was quite good. Percy had nothing to do. She took a walk in the amusement park. The amusement park was so beautiful and breathtaking. She enjoyed herself.

Suddenly the weather became quite dark. It began to rain. Percy said, 'Oh God! I didn't bring an umbrella.'

After that she saw a little boy. The little boy said, 'I want to go with you.'

Percy said, 'Thank you. That's very kind.'

The little boy asked, 'May I make friends with you?'

Percy replied, 'Sure. I love to.'

The little boy smiled. At that moment, the sun came out. The sun made people cheerful. Suddenly a director appeared and shouted, 'The boy is a film star. We are making a movie.'

Percy was surprised he could even make friends with a movie star.

Anyway, the boy thanked Percy for her kindness and took a photo with her.

Percy was proud of what she had done.
