

Dear Elvis,

How are you recently? During the weekend, I read a book which is very interesting. And now, I will recommend it to you. And I hope you will be interested in reading it.

The story is about a man who has adopted a girl from a village. Her name is Anna who always tells everything to everyone though it is a little thing. Anyway, she loves talking with people. She has long curly hair and has green eyes. What's more, on her face are some freckles. So, she isn't beautiful from her appearance. But she always helps someone who is sick like an angel. Also, she is generous to everyone who is near her. On the other hand, the man called John is mean and selfish. He doesn't like Anna who always kindly gives something to others. Well, how do they get on well with each other? And I promise you the climax and the ending will surprise you. It is because the plot has twists and turns.

Well, I also like to read some books which are ghost story and detective story. The characters in these stories are usually funny and the plot is unpredictable. That's why I love to read them. How about you? I know you also like to read some books. Are there any good read to share with me? Write back soon.

Regards,

Jenny
