

# A shopping trip (A blog post)

I love shopping. I love shopping in the shopping centres. When I go shopping, I feel really good.

My favourite shopping centre is Dragon Centre. It is in Sham Shui Po. It is big and clean. It is very near my home. There are

bookshops, electronics shops, food court and gift shops. I like bookshops and food court most because I love eating and reading. I read so that I can learn a lot of things from the books.

Last Sunday, I went shopping in the Dragon Centre by myself. I walked there because I wanted to save some money. I arrived at about at about ten o'clock. I went to the bookstore first and read for about two hours. I had my lunch in the food court. I ordered a hamburger for lunch. Finally I left the centre at two o'clock.

Shopping is good. It makes me feel good and excited. Buy you can't spend too much money on it. Do you think so?
