

Group Interaction - Planning a class picnic

Class: S3B Names: Kevlin, Alan, Hei and Dien

Today we have to talk about planning a class picnic. Shall we start? May I say something first. Why don't we go to Ocean Park? I chose this place because it makes us feel so excited. Do you agree?

I agree that Ocean Park is a wonderful place, I would like to see the pandas. I have never been there because I have no time.

I think your suggestion is good, but I think Sai Kung Country Park is a better choice because it is beautiful. We can enjoy nature.

I agree with your suggestion because Ocean Park is too expensive. We have not enough money.

I agree too. I have always wanted to go to Sai Kung Country Park. It makes me feel so high.

OK. We have agreed that we will go to Sai Kung Country Park.

Let's move on to the next point - when shall we go? Any suggestions?

How about before Easter holidays?

I would like to go after the examinations.

That's a great idea! The weather will be cool and sunny.

How many teachers shall we invite?

I suggest all the teachers.

I don't agree because we just know a few teachers.

You are right. Let's just invite the teachers who teach us.

We don't have enough money, so maybe we can invite only three or four teachers.

What shall we bring to the picnic?

I suggest we bring some drinks and food to the picnic.

We can bring some beef, fishballs, fruit and a lot of drinks.

Let's also bring some fruit cakes, juice and Coca Cola.

Don't forget to bring bread. You can bring whatever food you want to eat.

Yes. Also bring some outdoor games, such as a ball and ping-pong ball.

We can fly kites and play badminton. Volleyball is good if the weather is fine.

Who will buy the food?

Sorry, I have no time.

I think I can help because the shopping mall is near my house.

So we have decided that we will go to Sai Kung Country Park for the class picnic. We shall invite three to four teachers and we will bring lots of food and drinks.

That's all. Thank you everyone.
