

Group Interaction - Planning a class picnic

Class: S3B Names: Sea, Die Walter Yin

Today we have to talk about planning a class picnic. Shall we start? May I say something first. Why don't we go to Beijing? I chose this place because Beijing will have Olympics Games this year. Do you agree?

I agree that Beijing is a beautiful city, but we are just planning a class picnic. Beijing is so far away!

I think you are right because we don't have so much money to pay for the air-tickets.

How about going to Lamma Island instead? It is nearer, beautiful and a lot cheaper.

That's a great idea! I like Lamma Island.

OK. We have agreed that we will go to Lamma Island.

Let's move on to the next point - when shall we go? Any suggestions?

How about during the summer holidays?

That's a great idea! The weather will be sunny.

How many teachers shall we invite?

I suggest all the teachers.

I don't agree because if we invite too many teachers, it will be very chaotic.

You are right. Let's just invite the teachers who teach us.

What shall we bring to the picnic?

Let's bring some snacks, some drinks and some playing cards.

Yes. Also bring some outdoor games.

Who will buy the food?

I will buy all the food, but I need Walter to help me carry it.

Sure, no problem.

Does anyone have anything to add?

No? Let's end today's meeting then.
