

Group Interaction - Planning a class picnic

Class: S3D Names: Fish (10), KL Lam, Lai Kar Leung, Yanice Yuen (14)

Today we have to talk about planning a class picnic. Shall we start? Let me say something first. Why don't we go to Wu Kai Sha Youth Village? I chose this place because we can go camping and have a barbecue. Do you agree?

I don't agree with you. I think Ocean Park is better because there are many games to play.

I agree with your suggestion because there are many roller coasters. I love riding roller coasters because it is so exciting.

What a great idea!

OK. We have agreed that we will go to Ocean Park.

Let's move on to the next point - when shall we go? Any suggestions?

How about during the summer holidays?

That's a great idea! The weather will be hot.

How many teachers shall we invite?

I suggest all the teachers.

I don't agree because inviting all the teachers is so expensive.

You are right. Let's just invite the teachers who teach us.

That's a good idea.

What shall we bring to the picnic?

How about chicken wings and sushi?

That's great! I like chicken wings very much.

Let's also have 7-up, orange juice and water.

Ok.

Yes. Also bring some outdoor games, like football and kites.

Who will buy the food?

CK Lam will buy the food because he is very strong.

Yanice can bring the drinks, ok?

Any other ideas?

No? Let's end today's meeting then.
