

Group Interaction - Planning a class picnic

Class: S3D Chiu Suet Hiu (3), Cheung Chi Chung (16), Elaine Fung, Law Chun Him, Tam Mei Ching

Today we have to talk about planning a class picnic. Shall we start? Why don't we go to Ocean Park? I chose this place because we can see the pandas. Do you agree?

I agree that is a good idea, but I think that it is too expensive. We don't have so much money.

I want to go to Ocean Park too because I want to see the jellyfish.

OK. We have agreed that we will go to Ocean Park.

Let's move on to the next point - when shall we go? Any suggestions?

How about after the examinations?

That's a great idea! The weather will be sunny.

How many teachers shall we invite?

I suggest all the teachers.

I don't agree because there will be too many people.

You are right. Let's just invite the teachers who teach us.

What shall we bring to the picnic?

We can't bring food to Ocean Park, so we have to buy something to eat inside the park.

Should we bring some outdoor games?

No, I don't think so. There is no need to bring any games because there are many games at Ocean Park.

I agree with you. There are many games, such as Ferris Wheel.

Do you have any other suggestions?

No. I think that's all.

OK. Let's end today's meeting then.
