

Individual Presentation - My Dream Job

Good morning. Today I will talk about my dream job. My dream job is to be a teacher because I can earn a lot of money and have some holidays. There are beautiful and cute boys and girls. Sometimes the kids are fun and hardworking, it will make me happy. But there are also some bad things. A teacher has lots of work which may make me crazy and angry. Sometimes students are not good, and I want to hit them, but I can't. I want to work in Hong Kong and I want to be a primary school teacher. This is my dream job.

That's the end of my presentation. Thank you.
